Elevating the research and development ability, planning, and gradually establishing Industrialization 4.0 as the foundation of the Company's future growth.

VIII. The impact of external competition, legislative environment, and overall operating environment :

Due to the impact of the epidemic, the global economy is still suffering these past two years; chaos in the global supply chain, coupled with the Ukrainian-Russian War, resulted in the rising of raw materials and global inflation, adding immense pressure to the recovery of the global economy.

In this new year, the managing team still commits to developing new products conforming to the market trends and continuously improving the internal operating efficiency. The Company will continue to reorganize and optimize production lines, at the same time launching products with competitiveness, investing in the development of new products in line with the developing trend of New Energy Vehicles, elevating our competitiveness as a whole, and giving back to the expectations of our shareholders and society with operating growth and profit. In the future, we plan to actively grasp the changes in the environment and stabilize the market through good interactions with our clients and supply chain manufacturers, maintaining a steady and stable attitude, optimizing our operational capability, and continue moving forward to repay the love and support of our shareholder over the years.

INDEPENDENT AUDITOR'S REPORT

To Topower Co., LTD

Opinion

We have audited accompanying the financial statements of Topower Co., LTD (the “Company”), which comprise the balance sheets as of December 31, 2022 and 2021, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying the financial statements present fairly, in all material respects, the accompanying the financial position of the Company as of December 31, 2022 and 2021, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

As described in Note 35 of the financial statements, the Chairman and related employees of Topower Co., LTD were prosecuted by the Tainan District Prosecutors Office in Taiwan in July 2021 for alleged violations of securities trading and commercial accounting regulations, and the case is now being heard by the Tainan District Court. The Chairman and related employees of Topower Co., LTD have engaged lawyers to seek a fair judgment on the charges. The auditor has not revised their audit opinion as a result of this.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2022. These matters

were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter for the Company's financial statements for the year ended December 31, 2022 is as follows:

Authenticity of Sales Revenue Recognition

The Company's main business is the manufacturing and sale of automotive components, electronic components, and high-end environmental power supplies. However, when comparing the gross profit margin of the top twelve sales customers between 2022 and 2021, some customers (hereinafter referred to as the key audit customers) had an increase in gross profit margin in 2022, which had a significant impact on the overall financial statements. Therefore, the auditor has designated the accuracy of revenue recognition for these key audit customers as a key audit matter for this year.

Refer to Note 4(12) for the accounting policies regarding revenue recognition, and refer to Note 24 for the relevant disclosure of operating revenues.

The auditor has designed relevant internal control audit procedures to address the risks associated with revenue recognition based on an understanding of the internal control procedures related to sales. In addition, the auditor has obtained basic information and transaction details of the key audit customers from management and reviewed and analyzed their relevant industry background information. The auditor has also confirmed the existence of these customers by analyzing credit limits, credit conditions, actual sales, and accounts receivable turnover days. The auditor has also confirmed the completeness of transaction details, selected appropriate samples, and examined whether orders, export declarations, and payment recipients are consistent with the trading parties to understand whether there are any abnormalities in the transactions. The auditor has also investigated whether significant sales returns and allowances occurred after the period, and if so, the auditor has investigated the reasons and whether appropriate handling has been done to ensure that there is no significant misstatement in the recognition of revenue.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a

whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2022 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

be included in shareholders' meeting notice)

To convene a virtual shareholders' meeting, this Corporation shall include the following particulars in the shareholders' meeting notice:

1. How shareholders attend the virtual meeting and exercise their rights.

2. Actions to be taken if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents, or other force majeure events, at least covering the following particulars:

A. To what time the meeting is postponed or from what time the meeting will resume if the above obstruction continues and cannot be removed, and the date to which the meeting is postponed or on which the meeting will resume.

B. Shareholders not having registered to attend the affected virtual shareholders' meeting shall not attend the postponed or resumed session.

C. In case of a hybrid shareholders' meeting, when the virtual meeting cannot be continued, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders' meeting online, meets the minimum legal requirement for a shareholders' meeting, then the shareholders' meeting shall continue. The shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, and the shareholders attending the virtual meeting online shall be deemed abstaining from voting on all proposals on the meeting agenda of that shareholders' meeting.

D. Actions to be taken if the outcome of all proposals has been announced and an extraordinary motion has not been carried out.
